Congratulations to Ashleigh Cannon, daughter of Bryan Cannon and Carrie Robinson-Cannon, who has been selected as the Kiwanis Student of the Month for December by the Mayo High School World Language Department. Ashleigh was nominated because she is an amazing language learner, having completed Spanish 5 and currently taking French 1. She is also interested in studying about other cultures as well as the actual languages. Ashleigh spent a semester in Spain and is interested in another trip to visit France and Spain. She cares about making the world a better place for everyone. Ashleigh is on the

Mayo Swim Team, Ski Club, and Track and Field team. She is involved in Mayo Orchestra, Mayo Honor Society, SOS Club, UNICEF Club and Crafts for Charity Club. Outside of school, she is a Girl Scout, and she has earned both the Silver and Gold Awards. She has done community service through her church. Ashleigh will pursue languages and delve into psychology in college. During the Pandemic she has been tutoring other language students. She feels that Spanish is her best language to date. One college she is considering is Grinnell.

From Lourdes High School this month, we honored Lourdes High School Parent(s): Trina and Jonathan Morris. Nominated by the:

Social Studies Department. Reason for Nomination: Jonah has been dedicated in his social studies classes. He strives to understand

complex concepts in economics and philosophical thought. We enjoy his work ethic in the classroom everyday.

Extracurricular Activities: Varsity Soccer, Future Leaders in Medicine, LHS Student Ambassador, Summer internship in the Mayo Clinic radiology department utilizing 3d printing for medical models of fibromuscular dysplasia, Community Service within and outside of the Church, Childcare, and Barista and Sandwich Maker at Caribou Coffee.

Future Plans Beyond High School: I want to study biology or neurobiology at the beginning of a long process of going to medical school. At the beginning of my High School freshman year, my grandmother suddenly died of a ruptured aortic dissection. My grandmother's death gave me a desire to make a difference in an individual's health by trying to ease or minimize their pain and suffering. I believe that I can pursue this goal through a biology degree as it will set up the fundamentals for a career in medicine.

Honors, Awards, etc. Captain of my high school soccer team, voted All-Conference and All-Tournament team in the MN State tournament, Advanced placement and Honor student,

Linda and Mary did the shopping for the Adopt a Family drive this year. The club allocated about \$500 for them to purchase gift cards of types that the program desired. Thanks, you two, for doing this (again) You are making a lot of people happier this season. Thanks a lot to Linda and Mary for the job they did for the Adopt a Family program again this year.
